

The Hidden Messages in Water

LIVING
HOPE

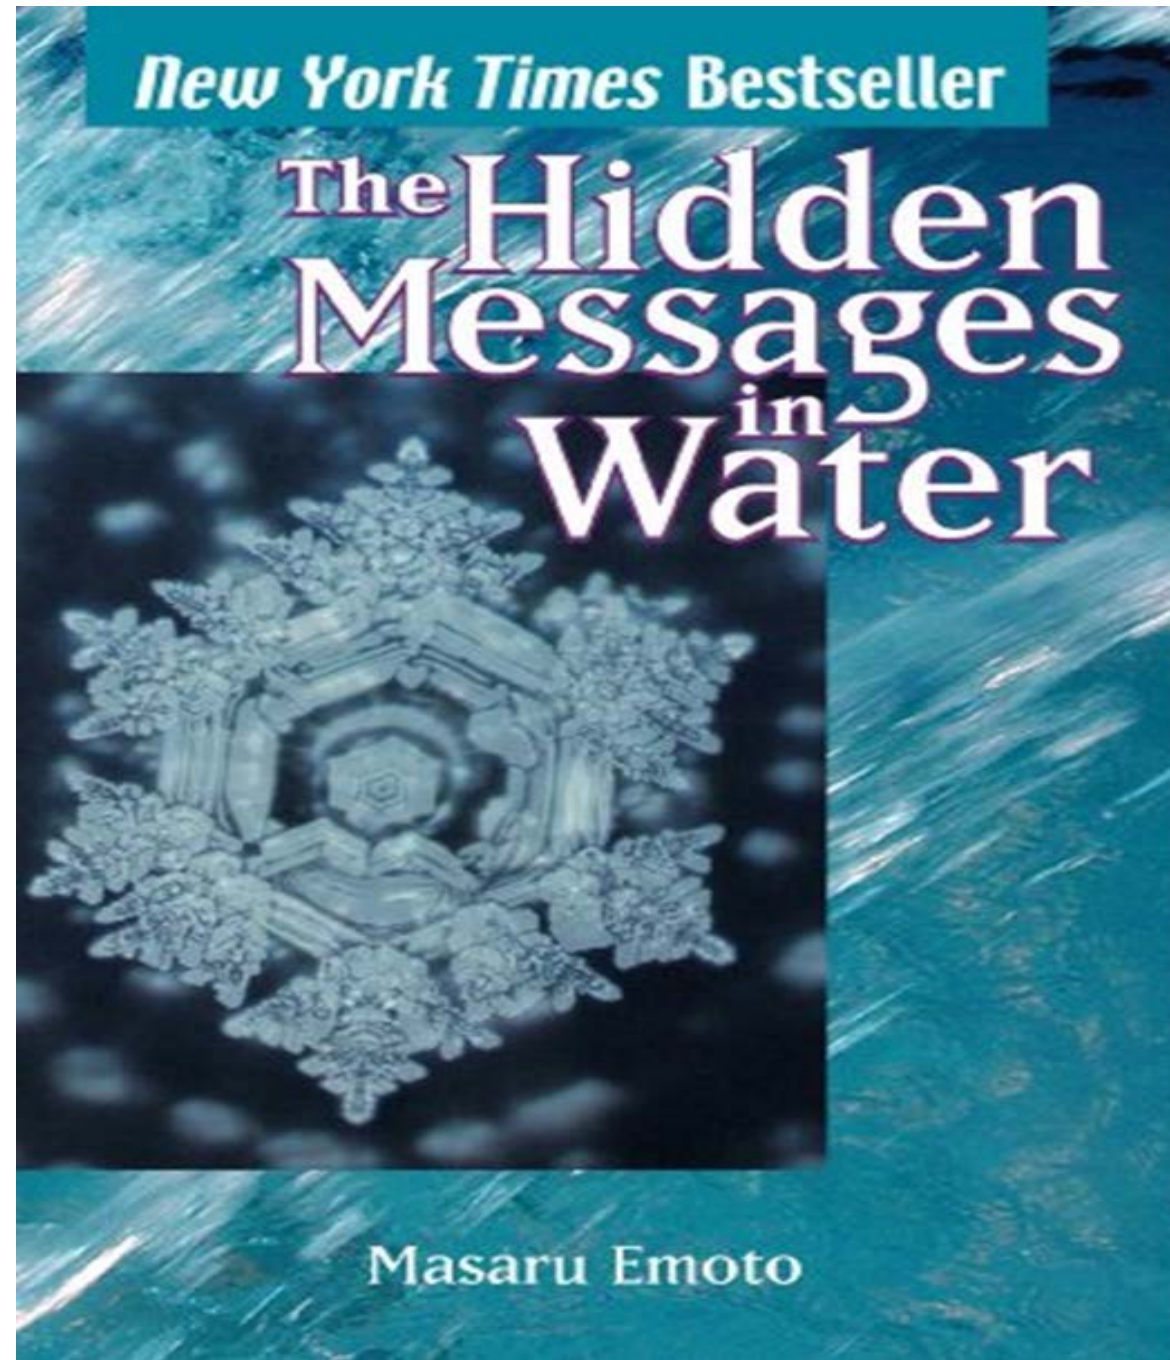

“Sanctify Christ as Lord in your hearts, always being ready to make a defense to everyone who asks you to give an account for the hope that is in you, yet with gentleness and reverence.”

1 Peter 3:15

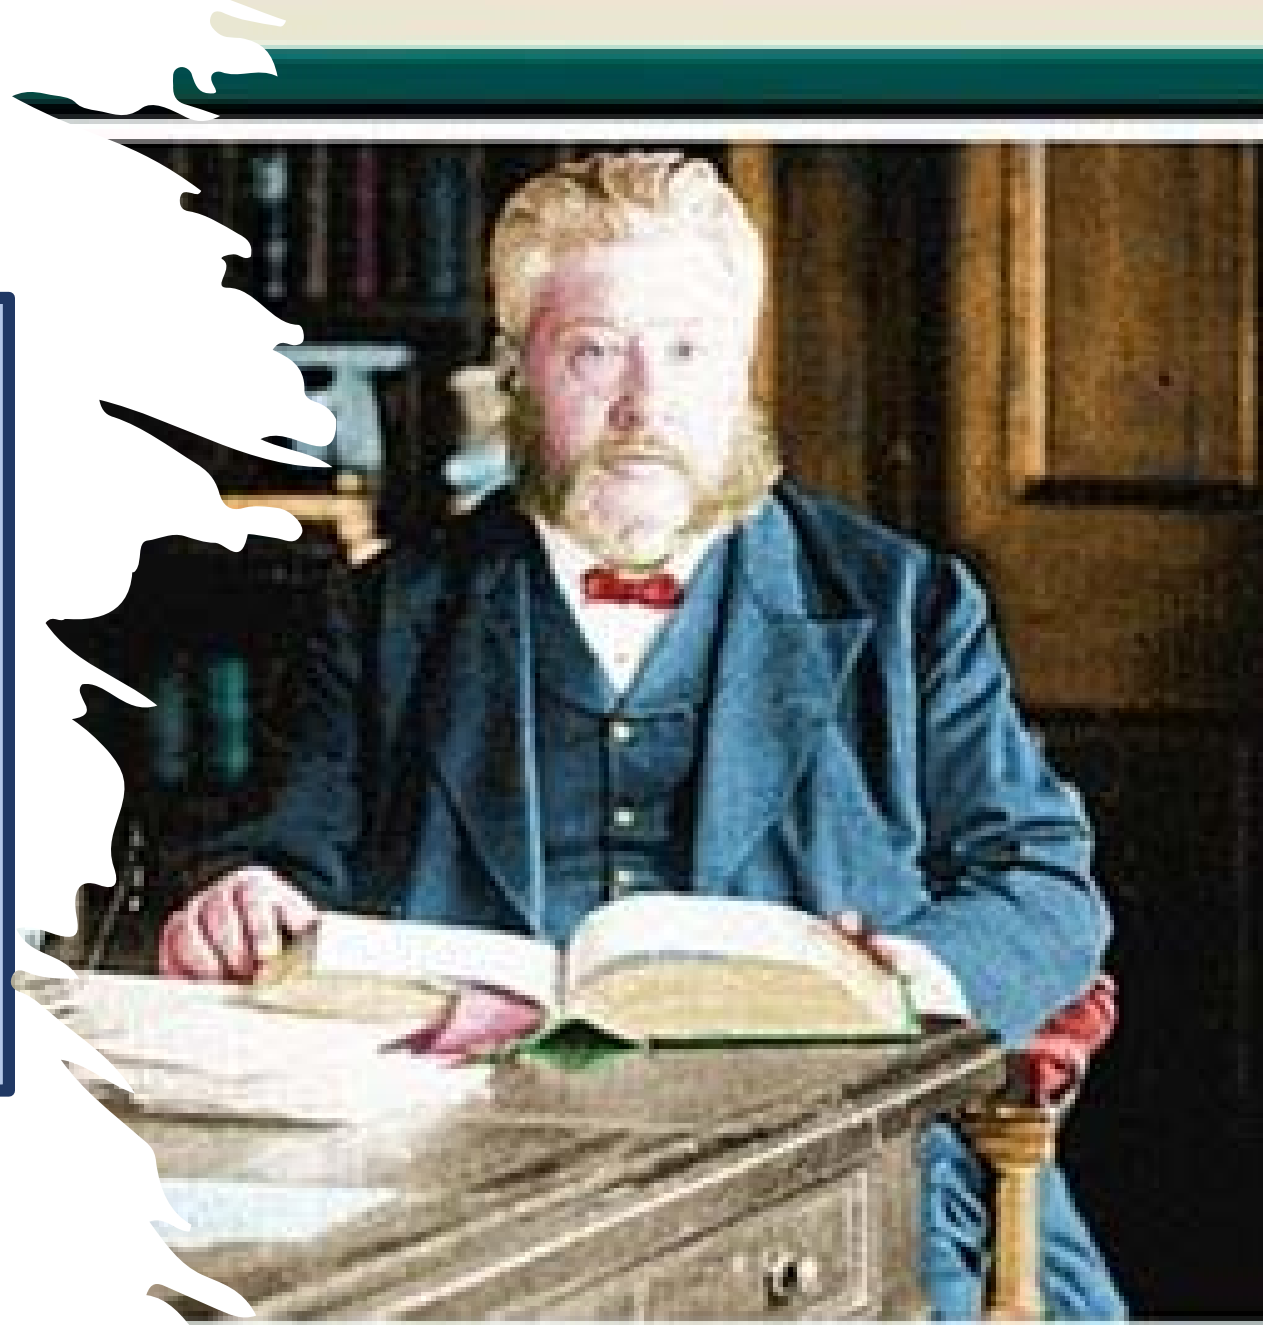

STUDIES IN 1 PETER

The Hidden Messages in Water

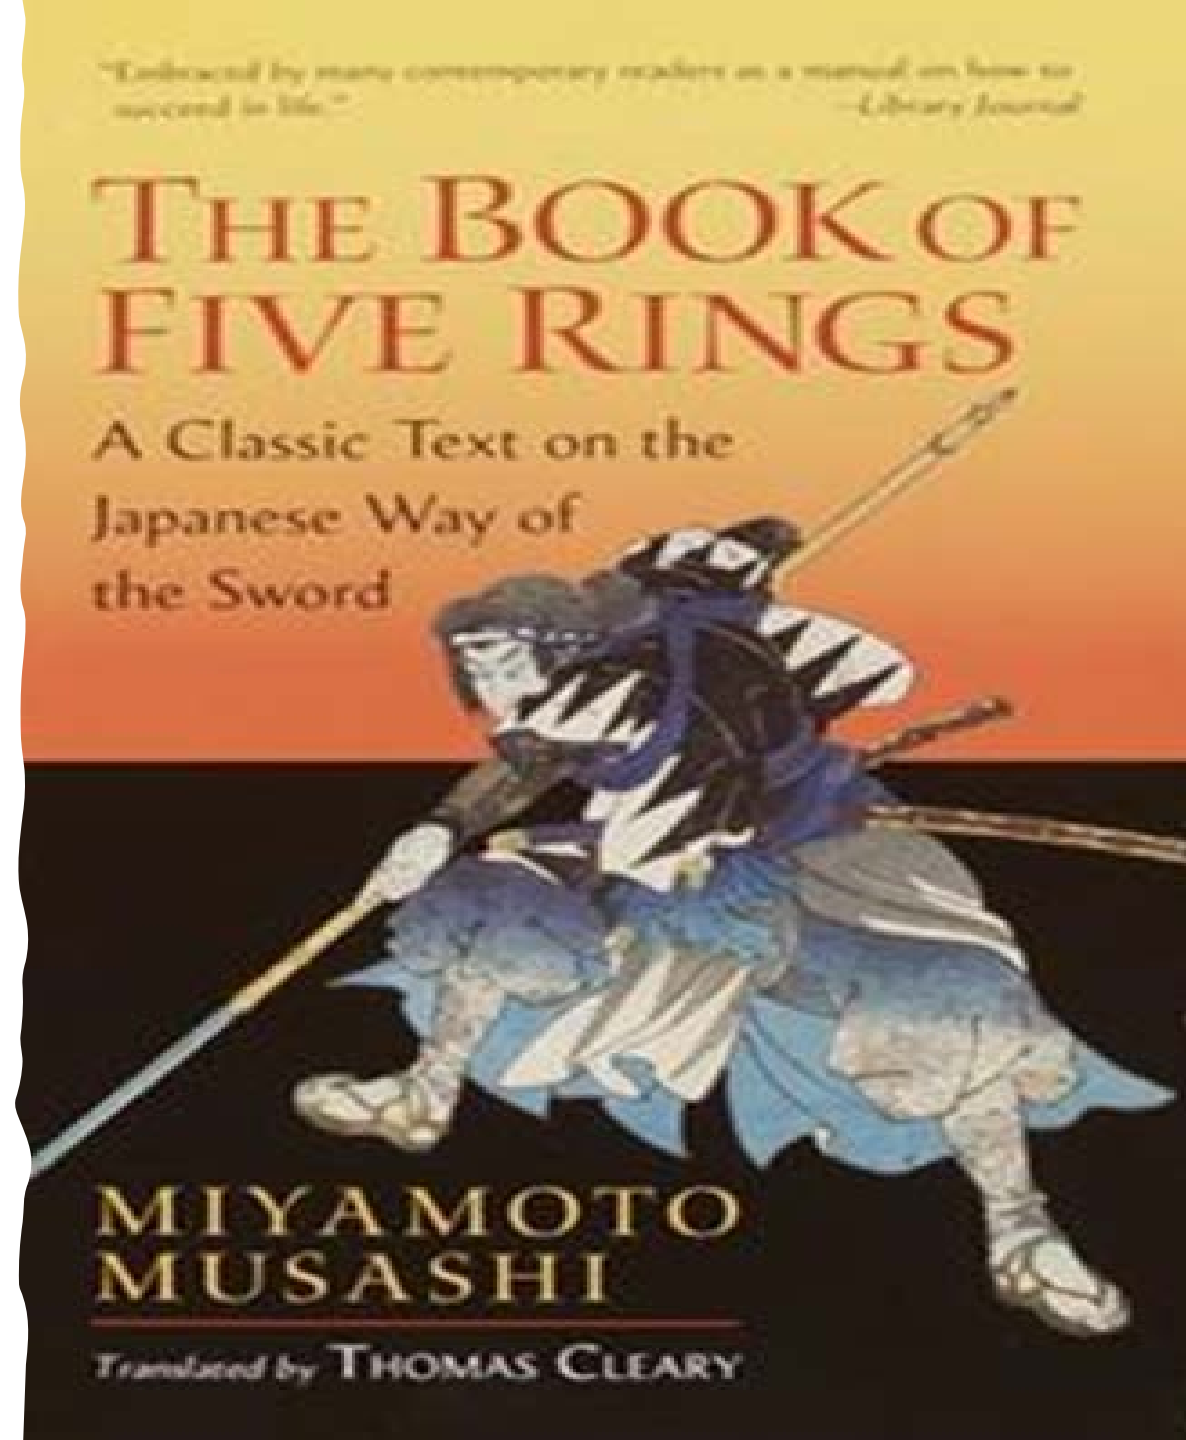

C.H. Spurgeon

- “What is science? The method by which man tries to hide his ignorance. It should not be so, but so it is...You are never to assert anything very strongly; but scientists may boldly demand a faith far more credulous than any we possess.”

The Book of Five Rings - Miyamomto Musashi

Miyamomto Musashi

- Musashi's First Rule of Combat Strategy

“Think Without Any Dishonesty”

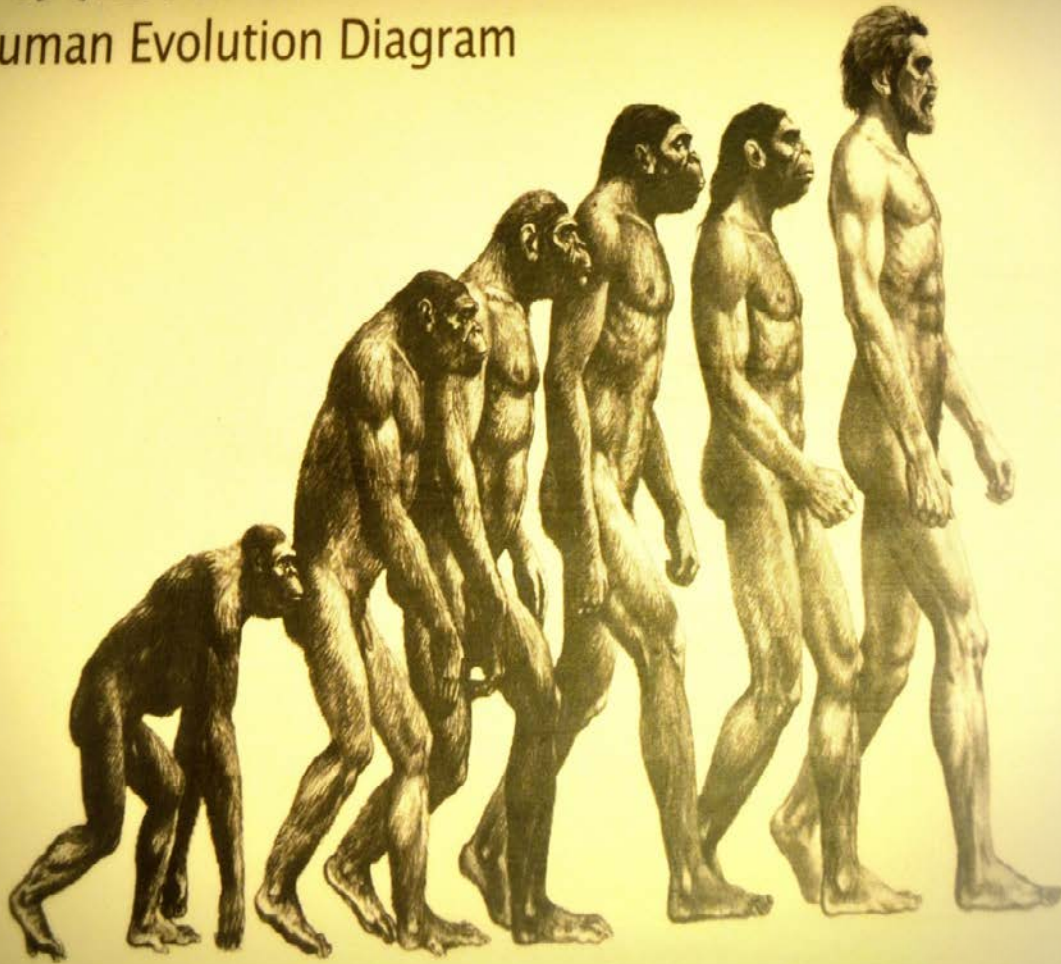

- “To suppose that the eye, with all its inimitable contrivances for adjusting the focus to different distances, for admitting different amounts of light, and for the correction of spherical and chromatic aberration, could have been formed by natural selection, seems, I freely confess, absurd in the highest degree.”

“The likelihood of the formation of life from inanimate matter is one out of $10^{40,000}$...it is big enough to bury Darwin and the whole theory of evolution. There was not primeval soup, neither on this planet nor on any other, and if the beginnings of life were not random, they must therefore have been the product of purposeful intelligence.” Sir Fred Hoyle, Professor of Astronomy, Cambridge University

“Evolution is unproved and unprovable. We believe it only because the only alternative is special creation, and that is unthinkable.” – Sir Arthur Keith, who wrote the foreword to The Origin of Species (100th Edition)

H.S. Lipson,
Professor of
Physics at
the University of
Manchester

- “In fact, evolution became in a sense a scientific religion; almost all scientists have accepted it and many are prepared to ‘bend’ their observations to fit in with it.”

Dr. Emoto

- “I thank God that I have been given the opportunity to work in this capacity. I understand that some people have difficulty with the word or concept God. The main focus in this book is water. And the more you understand water, the more difficult you will find it to deny the existence of a god.”

Dr. Murakami

- “The more you understand DNA, the more you are forced to admit that some hand played a role in the recording of so much minute and elaborate information in such small spaces.”
- The term he uses for this “hand” – this existence – is “Something Great”.

The Science of
Quantum Mechanics
generally
acknowledges that all
substance is vibration
– The entire universe
is in a state of
vibration. Everything
is eternally moving
and vibrating at
incredible speeds.

It is estimated that human beings vibrate 570 trillion times a second, and people are able to feel the vibrations of other humans.

Example: Good Vibes/Bad Vibes

All people, creatures,
plants, and all things
emit vibrations – or
particular frequencies
– which is also to say
that all are creating
sound, even if not
detectable by the
human ear.

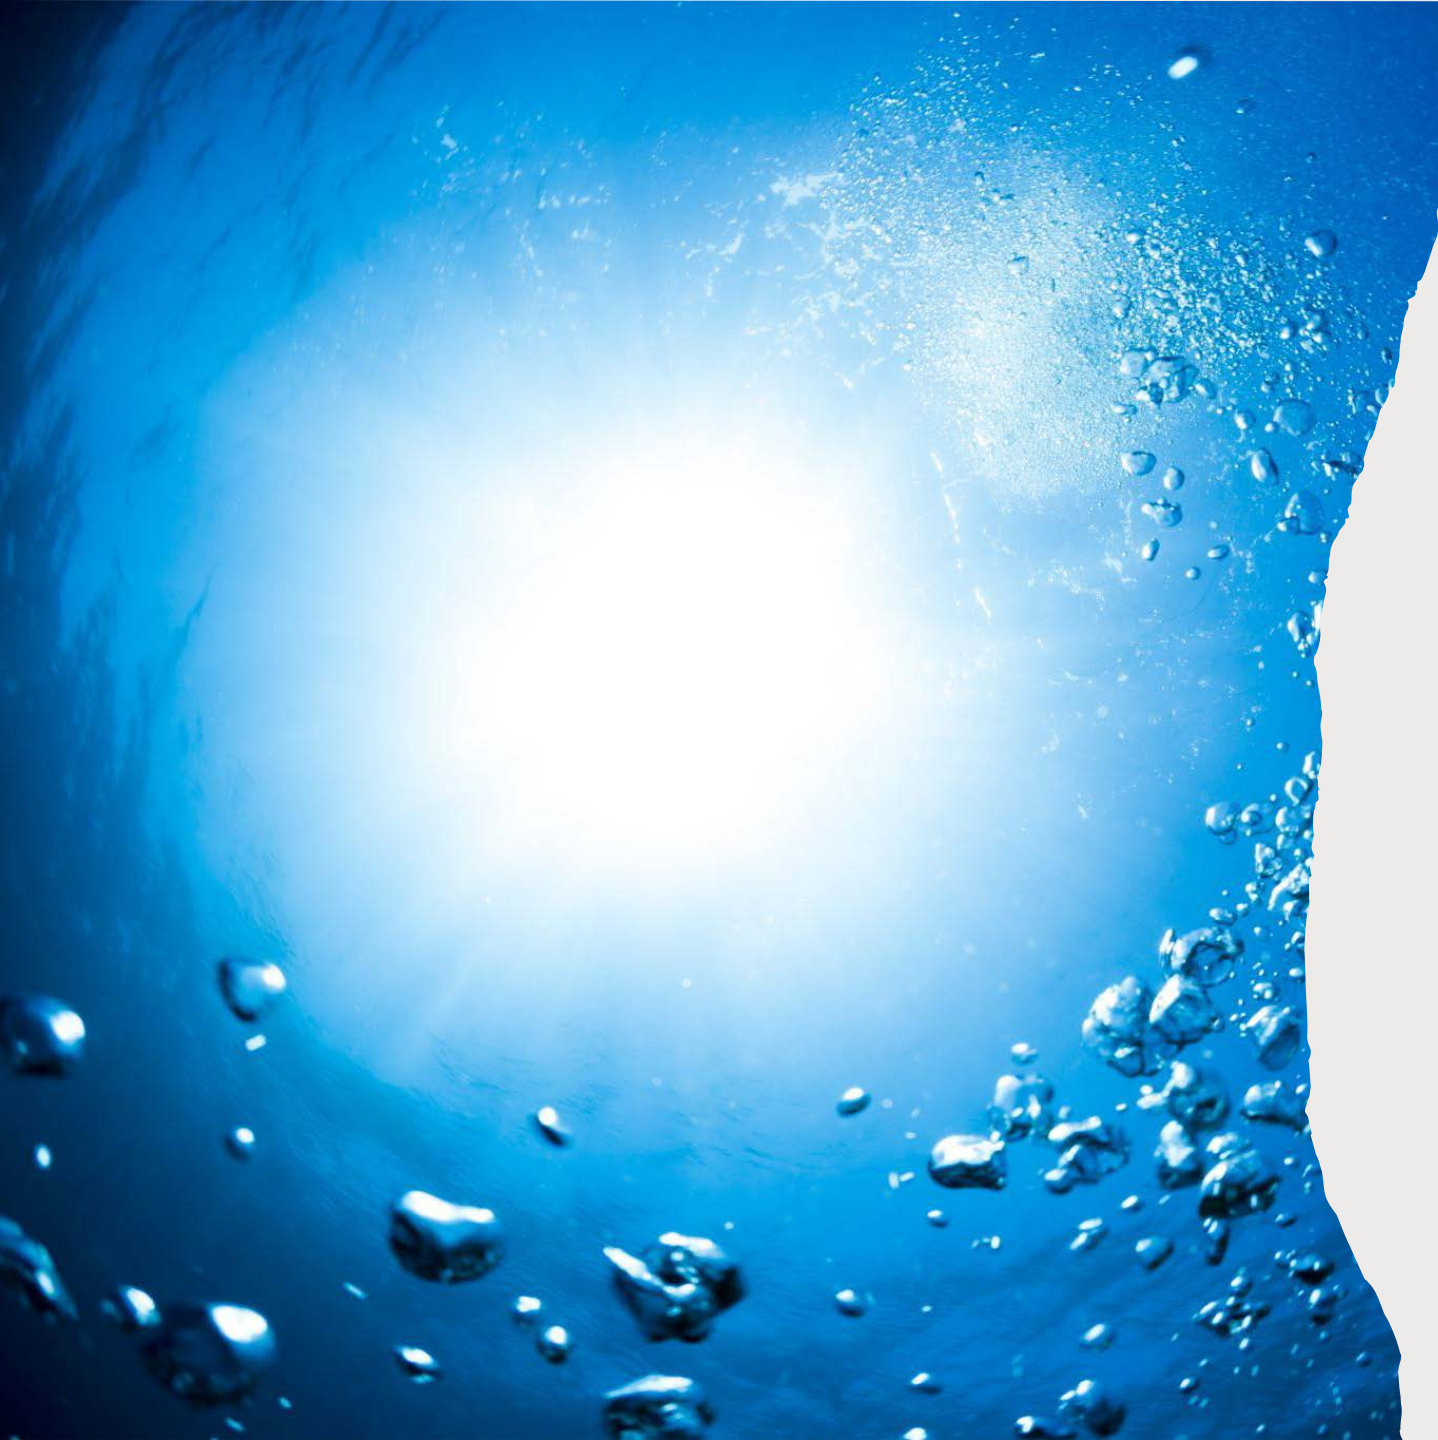

Dr. Emoto's experiments demonstrate that water is capable of sensing these vibrations and identifying their nature. And that even written words emit unique vibrations which water is capable of sensing – or “reading”. Thus, “water essentially and effectively mirrors the outside world,” according to Dr. Emoto.

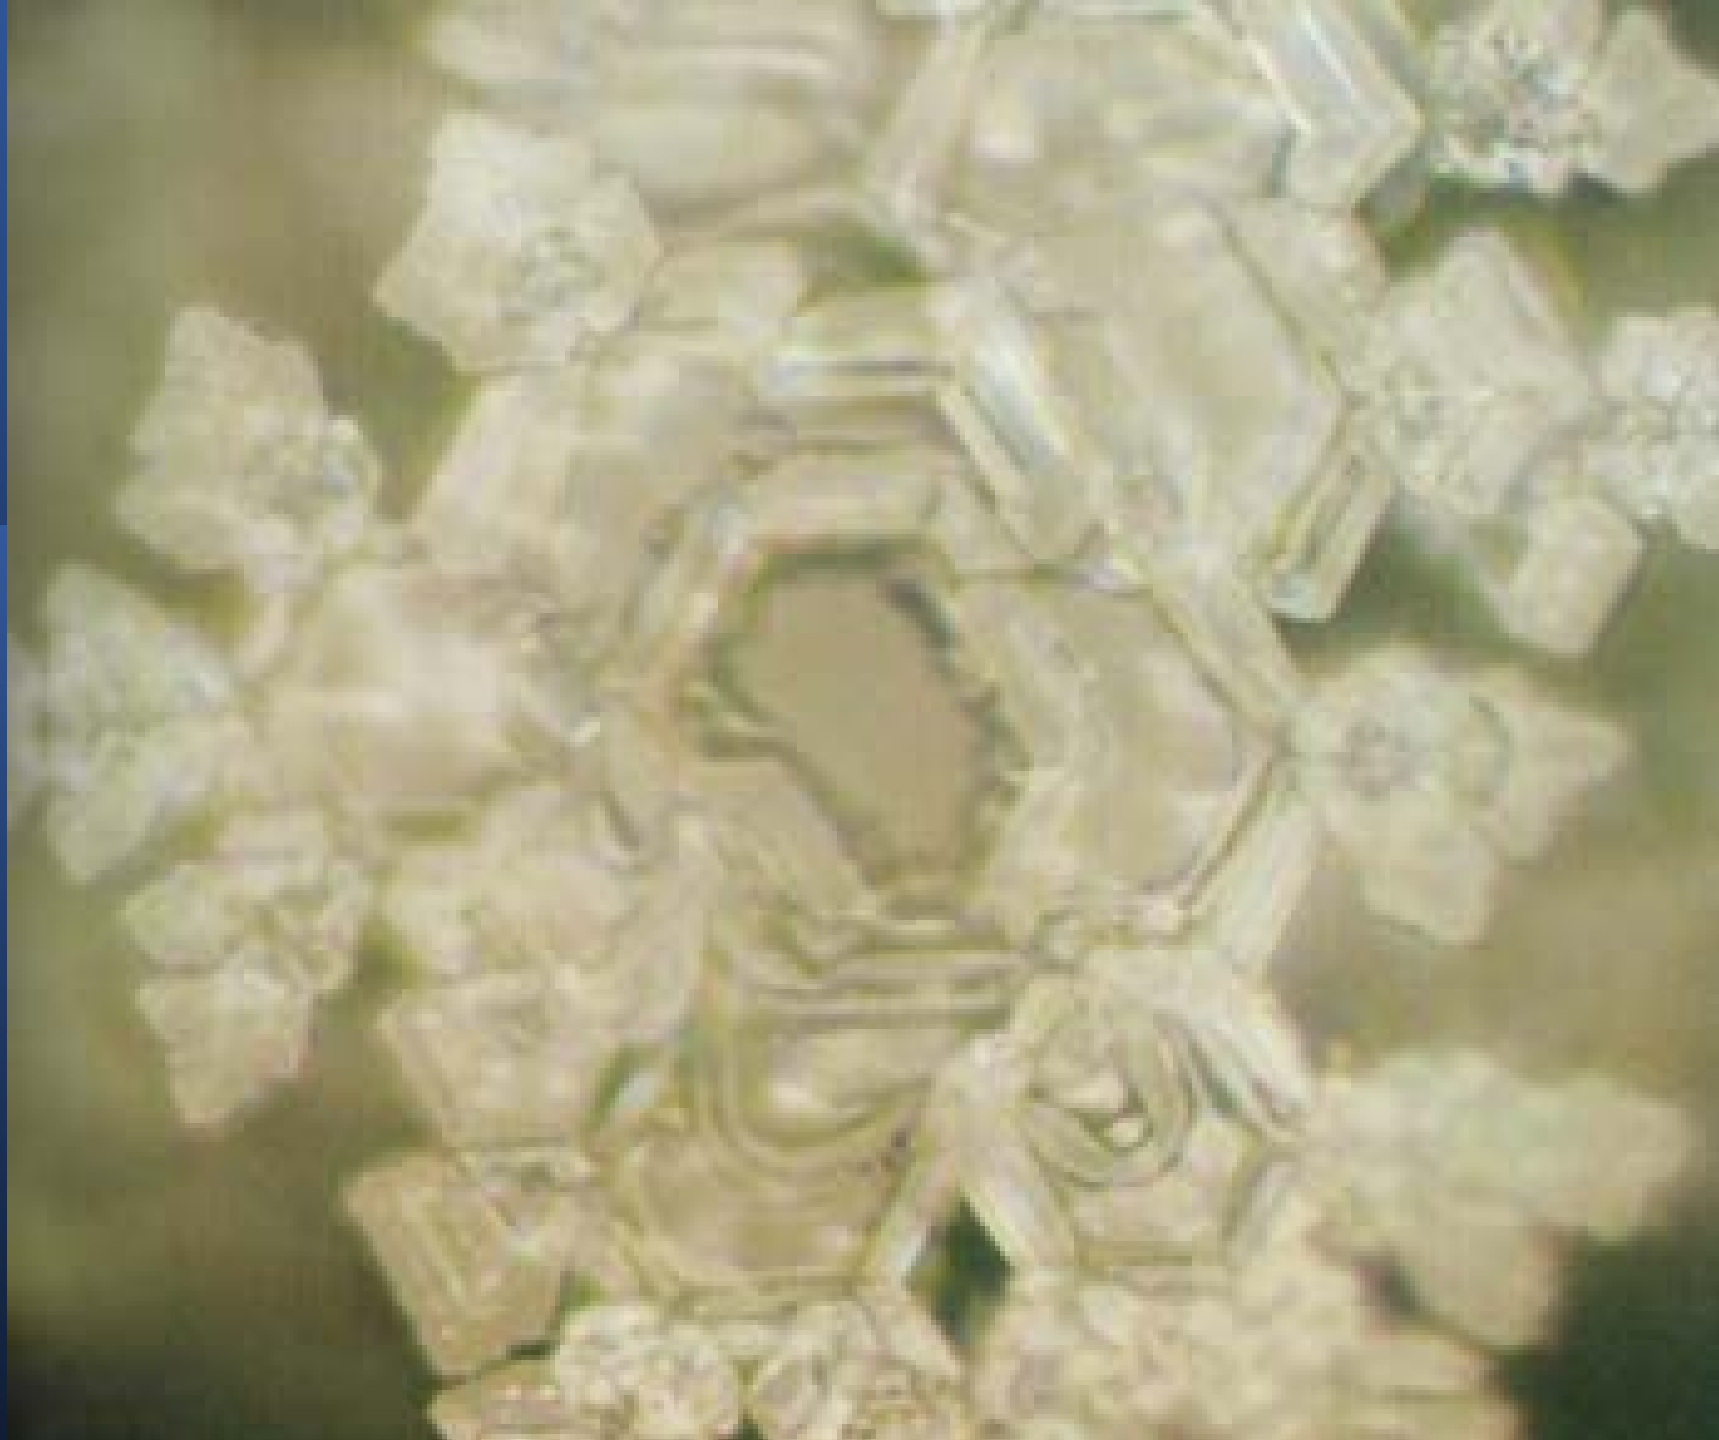

II Peter 3:5

The earth was formed out of water and by water.

- We now know that the human body is 70% water
- At conception we are 99% water
- At birth, we are 90% water
- When Jesus spoke to Nicodemus of being born again of the spirit in John 3, He spoke of our physical birth as being “Born of Water”

Dr. Emoto

- “Among all medicines, there are none with the healing power of love. Since I came to this realization, I have continued to tell people that immunity is love.”

Dr. Emoto

- “The word “Love” alone has the ability to create wonderful crystals, but love and gratitude combine to give the crystals a unique depth and refinement, a diamond-like brilliance.”

- 
- Dr. Emoto concludes, “The message of water is love and gratitude...Love and gratitude are the words that must serve as the guide for the world.”

Matthew 22:37-40

- When asked what was the great commandment in the Law, Jesus said, “You shall love the Lord your God with all your heart, and with all your soul, and with all your mind. This is the foremost commandment. The second is like it, you shall love your neighbor as yourself. On these two commandments depend the whole Law and the Prophets.”

In John 13:34 He says

- “A new commandment I give to you, that you love one another, even as I have loved you, that you also love one another.”
- A universal, unconditional love for all people. The love that took Christ to the cross for the sins of all people.

I John 4

Love in the Way of Christ is the most powerful force and greatest healing force in the world. But why is it so powerful?

John gives us the answer in I John 4: "Love is from God...For God is love...By this the love of God was manifested in us, that God has sent His only begotten Son into the world so that we might live through Him."

Overcoming the World

I John 5

- “For whatever is born of God overcomes the world.”
- And love is born of God
- “Who is the one who overcomes the world, but he who believes that Jesus is the Son of God? This is the One who came by water and blood, Jesus Christ; not with the water only, but with the water and with the blood. It is the Spirit who testifies, because the Spirit is truth. For there are three that testify: The Spirit and the Water and the Blood; and the three are in agreement.”

- If we follow Musashi's first rule of strategy and think without any dishonesty, all that we see in science, nature, and the cosmos will point directly to the hand and genius of the Creator God.

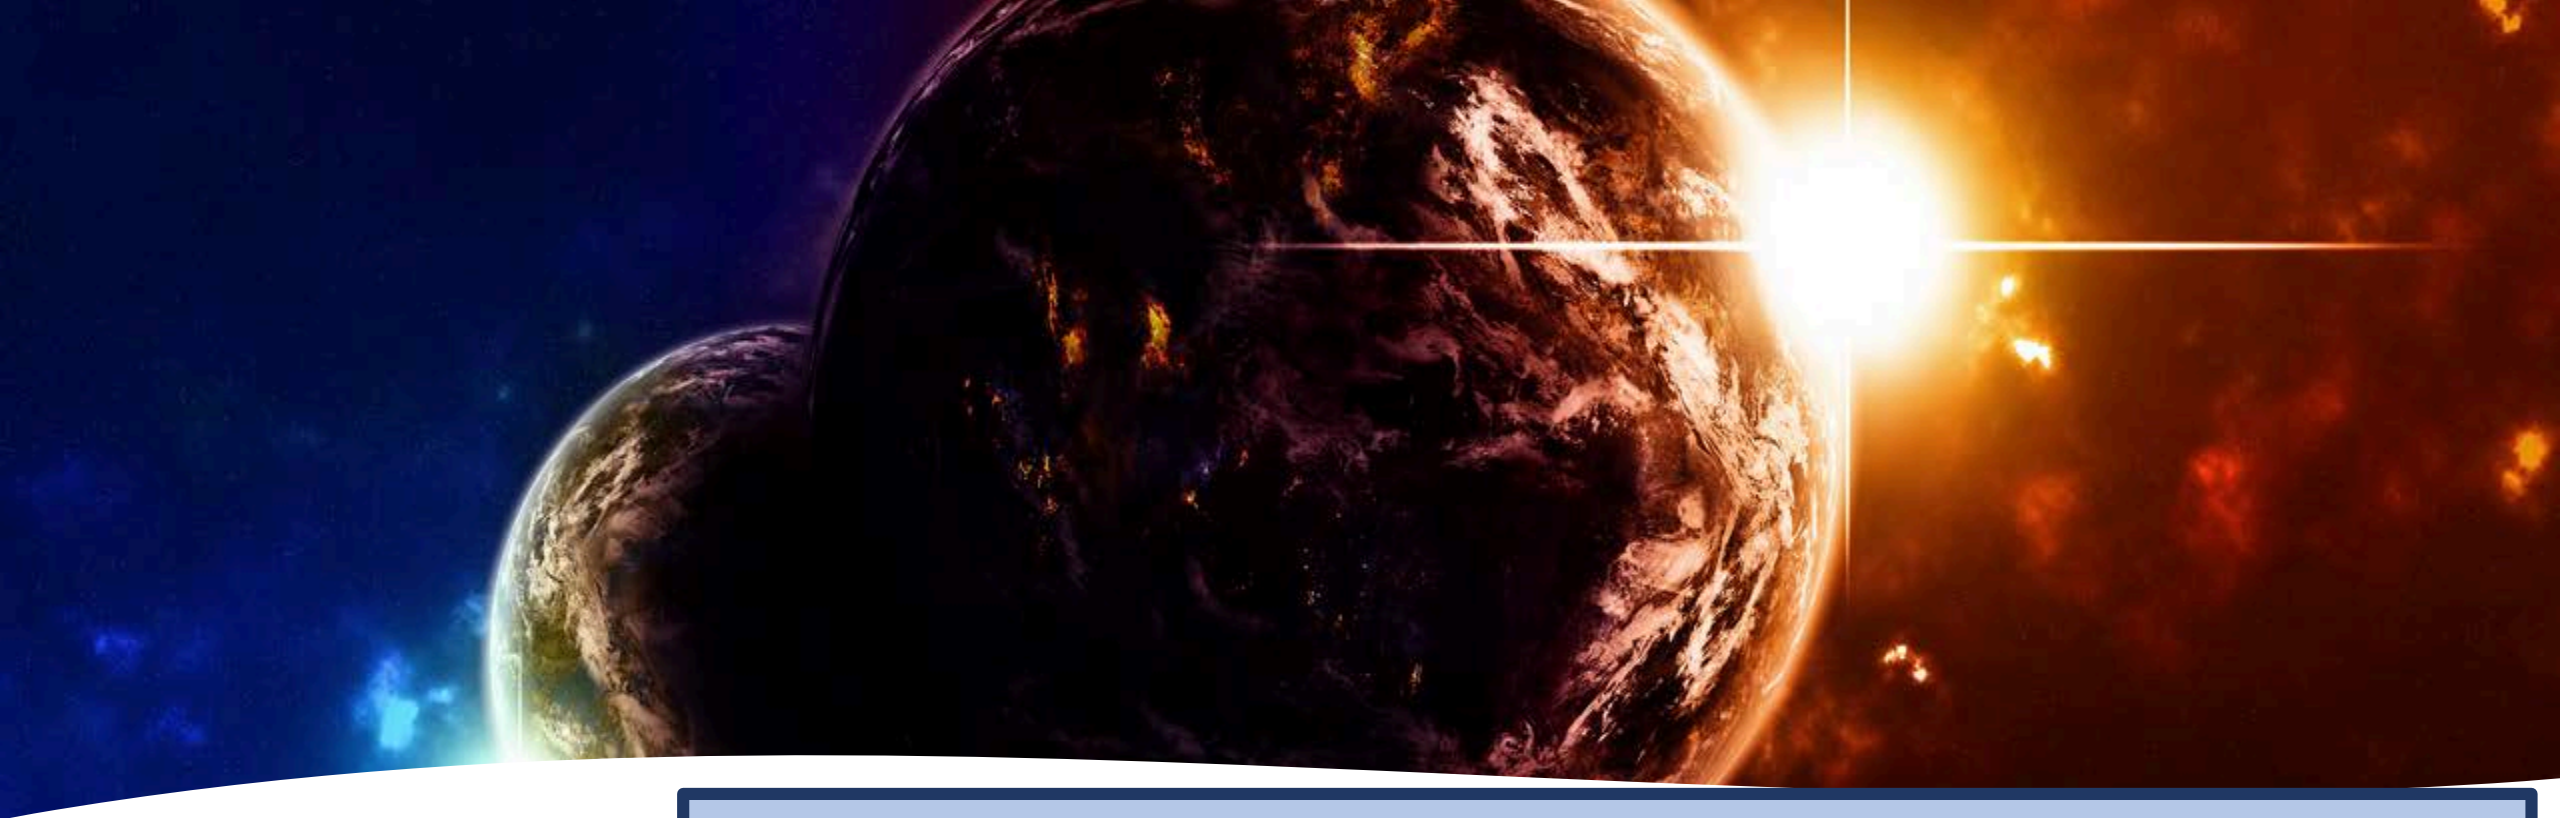

- Just as water reveals the presence and creating hand of God and His righteousness, it also reveals the reality of Satan and the destructive power of evil, hatred, and unkindness that comes from him.

The Fortifying and Healing Powers of Kind Words and Gentleness.

- “Pleasant words are a honeycomb, sweet to the soul and healing to the bones.” Proverbs 16:24
- “There is one who speaks rashly like the thrusts of a sword, but the tongue of the wise brings healing.”
Proverbs 12:18

- The fortifying and healing powers of love and gratitude in the one who embodies them and in those toward whom he extends love and gratitude.

- “Love one another, even as I have loved you, that you also love on another.” **John 13:34**
- “Therefore, since we receive a kingdom which cannot be shaken, let us show gratitude, by which we may offer to God an acceptable service with reverence and awe.”
Hebrews 12:28
